Vision & Expectations

Vision

Action Team is a student discipleship and leadership team, consisting of 10th-12th graders who desire to grow in three critical areas:

- **Conviction:** To believe in Jesus Christ and his Word with our whole mind and heart.
- **Character:** To live a life in-line with the gospel we believe (Col. 1:10, Eph. 4:1).
- **Competence:** To have the skill and ability to share gospel truth in a compelling way that invites others to follow.

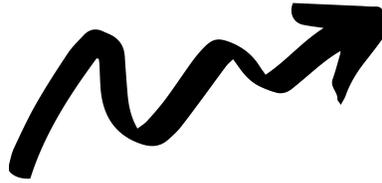

Meetings are once per month and focus on the Word, prayer, our growth, as well as our work of discipling others. Team members will be lead to use their influence serving others in Youth Group, the church, and their daily lives.
