Christ, the Telos of the Law

Romans 10: 1-4

Doug Busby, Pastor Emeritus

What are the two senses of the word ... **τέλος**, "telos" ?

Christ is the _____ of the Law

Christ is the _____ of the Law

When you know the first sense, you know that you can NEVER be made right with God by works of the Law. So you quit trying to be j_____ by works.

When you know the second, you realize that, when you use the Law in the right way, it will lead you to _____ (**Gal. 3:24**). So the law was put in charge to lead us to Christ that we might be justified by faith. ...So don't throw the law out the window!

How many of the Ten Commandment can you recite?

How many did you get? _____ out of ten.

How many can your children recite? _____

In raising your children, you are not looking for merely outward compliance but the h_____ to serve God out of f_____ and l____. (Same for us!)

Don't mistake zeal for God as necessarily meaning one is right with God. The zeal must be based on ἐπίγνωσις, ...true knowledge.

The major misuse of the law that Paul points out in Romans is seeking to obtain righteousness with God by _____ of the _____.

The proper use of the law is when, we realize that through the law comes the consciousness of _____.

The law helps us see that there is something in us that responds wrongly to the law, and in one sense, makes it worse so we can see our problem better and run to the remedy!

Rom. 5:20 The law was added so that the trespass might **increase**. But where sin **increased**, grace **increased** all the more, & Rom. 7:5b... the sinful passions aroused by the law were at work in our bodies, so that we bore fruit for death.

⁴ **CHRIST IS THE "TELOS" OF THE LAW SO THAT THERE MAY BE RIGHTEOUSNESS FOR EVERYONE WHO BELIEVES.**
